

# Kā atjaunot EZVIZ konta paroli.

- Dodieties uz lietotni EZVIZ
- Jāizvēlas reģions "Latvija"
- Pieteikšanās lapā nospiediet "aizmirsu paroli"
- Ievadiet konta datus (atkarībā no tā, kādi tika izmantoti, reģistrējot lietotāja kontu – e-pasta adrese, vai telefona numurs).
- Ievadiet verificācijas kodu, ko saņēmat e-pastā vai īsziņā (SMS)
- Ievadiet jauno paroli.

The image shows the EZVIZ login screen. At the top is the EZVIZ logo. Below it are three input fields: a location field with "Latvia" selected, an "Email / Username / Phone" field, and a "Password" field. A blue "Login" button is below the fields. At the bottom left are "Sign Up" and "Forgot Password" links. At the bottom center are social media icons for Facebook and Google, and a link for "LAN live view".

The image shows the "Verify Account" screen. At the top is a back arrow, the title "Verify Account", and "1/3". Below is a large input field for "Email / Username / Phone". A blue "Next" button is below the input field. The screen has a light blue background and a black Android navigation bar at the bottom.

< Input the verification code. 2/3

Please input the verification code received by 371\*\*\*. The SMS/email may delay, please wait. If no verification code received, please return to the previous step and get again.
